	1	Pencil Sharpener
	1x	Roll on deodorant

## SCHOOLS' CONTRIBUTIONS AND CHARGES

The Joint Schools' Council has endorsed the schedule of Voluntary Contributions and Charges for 2021. The schedule is broken into sections and will allow you to calculate all costs that you might incur throughout the school year.

### 1. VOLUNTARY CONTRIBUTIONS

The contributions component is set at \$40 per student, \$50 for two children and \$60 for three or more children.

The Annual Voluntary Contribution has been set at a level significantly lower than the amount allowed under the Act— which is \$60 per child per school.

Contributions are voluntary, however, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Federal Governments.

These contributions assist with the purchase of items such as:

- Technology resources
- Maths resources
- Library resources
- Sports equipment
- Reading books
- Specialised equipment

### 2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated charges for your child's participation in incursions, excursions, activities, etc. for 2021 has been included.

Details collected in previous years has informed any changes for 2021.

Students will **only incur costs** when they are involved in a particular activity. The amounts indicated on the schedule represent the **maximum** charge for planned activities in 2021. As in the past, you will be asked to make payment for each activity as it approaches.

### 3. ITEMS FOR PERSONAL USE IN THE EDUCATIONAL PROGRAM

The list of personal use items will vary from student to student . Included with this notice is the list of student requirements your child will need for personal use in 2021. These personal items are to be supplied by parents/carers for the beginning of the school year and replaced by the parents/carers throughout the year as required.

#### P&C

Parents/Carers are invited to become members of the joint schools' P&C. Membership cost is **\$1 per year each** and can be paid with the school fees and charges.

You can contact the P&C on the following:

## Coolbellup Learning Centre

### Voluntary Contributions & Charges 2021

Dear Parent/Carer

Schools are required to provide parents and carers with a breakdown of their requested contributions into each of the learning areas to allow parents/carers to claim their educational tax refund.

In addition, the school, through the School Council, determines and advises parents/carers of the anticipated financial costs of the educational programs at the school.

Staff have tried to predict costs for 2021 taking into account the programs they are planning for their classes. The charges are *estimates* only and will not be exceeded nor will they be required to be paid in advance. It is our intention to continue to ask for payment for activities **as they occur** during the year.

#### DEFINITIONS

**Contributions:** This means “voluntary contributions”. The term relates to the monies requested from parents/carers towards the cost of materials, services and facilities used by K-6 students in their educational programs.

**Charges:** This term refers to any costs for which payment is **compulsory**.

#### VOLUNTARY CONTRIBUTIONS

The minimum voluntary contributions component is set at:

- \$40.00 for one child;
- \$50.00 for two children;
- \$60.00 for three or more children;

Parents/carers are **invited** to make a **voluntary contribution up to** a maximum of **\$60.00** per student.

**All monies can be paid at the school office.**  
**Payment Plans can be arranged—you can pay yearly, termly or by semester.**
